OIS FORMS

I'm proud to announce that all of you have turned in your OIS Forms! 😊 However, there are still a few outstanding details e.g. Phone Number and Email Addresses of Vice Presidents from Cayman Prep and St. Ignatius High School. This way they can be in the loop when I send out emails or text messages.

PRIDE REPORTS

Most of you have handed in both the April and May Pride Report. The Pride report for the month of April should have been given in by May 1st and the Month of May should have been turned in by the 1st of June. The **Summer Report is due in by the 1st of September.** You can always do the report through out the whole month! This would be an easy way to get things done.

DUES

Every Key Club member must pay a \$15 due. When they pay they should receive an official Key Club pin and Badge. Usually we collect dues within the new school year. However, I want to get on top of things and start collecting dues from members who are going to be in service next year now! I know St. Ignatius has already collected in their dues. We really want to get 100% dues collected in so we can receive an Early Bird patch for all the clubs. So start collecting before school goes out! 😊

ICON

I am the only one going this year but I encourage all of you to save your money for next year because this really is an awesome experience!

KEY CLUB FUN DAY!

Neith Rheingold of Cayman Prep and High School Key Club came up with the idea of a Key Club Fun Day. This will be held late June or early July. Presidents should be telling their clubs this so that they are aware of this awesome event. I expect almost all of you to be there. There will be dodge ball tournaments, karaoke along with snacks and refreshments! This really is a great way to make new friends over the summer! If you have any questions

please contact Neith at 1-345-939-6196 or neith_rheingold@hotmail.com.

FUNDRAISERS!

We have a few small ideas so far but I want to do something big that can get us a ton of money in no time. So far we have things like Bake Sales, Car Washes etc. If you guys have any suggestions please let me know. My contact information is down below. If you guys want to know how much we raised so far check out the "STATISTICS OF DIVISION" section I made below.

SERVICE PROJECTS!

Let's give this Key Club year a big bang! So far we've helped out at the Special Olympics, we've done a food-drive for the Humane Society and we also painted the bathroom walls of our school. We need to do something that can be remembered for ever and that will leave our mark. Again if you have any suggestions please let me know!
